

**“Issue Is” Submission
REPORT TO EDITOR
CONFIDENTIAL**

Reviewer Name:
MS #:
MS Title:

1. **Instructions:** The purpose of a review is to obtain an expert opinion of the suitability of a manuscript for publication in AJOT and to assist the author when appropriate, with strengthening the paper. All manuscripts should be treated confidentially.

Please summarize your evaluation of the manuscript as follows (please check-off appropriate box):

Evaluation Item	Minimal or No Revision Needed	Moderate or Substantial Revision Needed	Major Problem—No Revision Possible
Title of manuscript reflects content of text			
Presentation of pertinent literature logically supports the stated issue			
Adequate description of issue			
Important stakeholders identified and viewpoints discussed			
Soundness of analysis of issue			
Justification of why issue is important			
Solution or action proposed is justified			
Quality of results, discussion, and implications for profession			
Originality of ideas			
Overall clarity of presentation			
Tables and illustrations easy to read (if applicable)			
Quality of references			
	Low	Mod	High
Potential to Contribute to Profession			

2. **Comments:** **If you have confidential comments for the editor**, please use the space below or attach a separate page. If no confidential comments are required, place all comments on the **Report to Authors Form**.

3. **Recommendations:**

_____ Accept for publication (may need minor revisions)

_____ Revise and resubmit (needs **minor** revisions and further review)

_____ Revise and resubmit (needs **major** revisions and further review)

_____ Reject
