

AOTA CONTINUING EDUCATION

AOTA offers some of the highest quality and most relevant continuing education available to the profession. Select from the wide variety of topics listed in the AOTA 2008 Publications & CE Catalog to advance your professional development and meet your certification and licensure requirements. You will find several convenient formats to choose from—

- **Self-Paced Clinical Courses (SPCCs)** (pages 44 to 46) offer flexible learning that allow participants to choose their study setting and move from one lesson to the next on their own time schedule.
- **Online Courses** (pages 46 to 50) provide 24/7 access to interactive study of dynamic content from experts on topics of professional concern.
- **CE on CD™** (pages 51 to 52) is a convenient way to access quality continuing education content with all the course material you need for viewing, listening, or printing.
- **Conference Session Webcasts** (page 53) are an on-demand, convenient way to view videos and PowerPoint® slides from hot-topic conference sessions originally presented at the AOTA 87th Annual Conference & Expo.

In addition to AOTA products, you will find valuable continuing education resources from Dynamic Learning and other CE providers. We urge you to take advantage of these excellent opportunities to grow professionally.

2 Easy Ways to Register for AOTA CE!

You can register for any of the CE products found in these pages online or by phone. To order online, go to STORE.AOTA.ORG and click on “CE Products.” Locate the CE format you are interested in and find the SPCC, Online Course, CE on CD, Webcast, or CE Article that best meets your professional needs. Or, if you prefer, call toll-free 877-404-AOTA (2682) or 800-877-8555 (TDD).

Continuing Education Articles

AOTA Continuing Education (CE) Articles are current, practice-focused education opportunities that are published monthly (except December) in OT Practice magazine. Developed specifically with your professional growth in mind, they include identified objectives and a brief exam to help measure your learning.

Earn .1 AOTA CEU (1 NBCOT PDU/1 Contact Hour) per article.

Articles are active and available for earning credit for 2 years from the time of publication.

NOW ELECTRONIC TOO!

Active CE articles are available in print or electronically for your convenience and preferred learning style. Once you have completed the article, you can take the exam in either format as well. An instant certificate is available to you as soon as you successfully complete an online exam.

AOTA Members: \$24.75 each, Nonmembers: \$35 each
