IV. E. 4. PROGRAM DIRECTOR CHANGES

NOTIFICATION OF PROGRAM DIRECTOR CHANGE

A requirement for maintaining accreditation is that prompt notification be sent to the AOTA Accreditation Department if the program director of an accredited occupational therapy or occupational therapy assistant program changes. (Programs must inform ACOTE within 30 days of the resignation of the program director or appointment of a new or interim program director.) If the position is vacant, written notification should include the plan for filling the position and the name, credentials, and contact information of the individual who will serve as the primary point of contact for the program.

Upon the appointment of an acting or permanent program director or individual who is primarily responsible for handling the duties of the program director, the following documentation must be submitted to ACOTE through ACOTE Online (https://acote.aota.org) using the Substantive Change (SUBS. CHANGE) tab.

1. A letter of appointment, including the effective date of appointment of the new program director or the individual who is primarily responsible for handling the duties of the program director.
3. The curriculum vitae of the new program director or the individual who is primarily responsible for covering the duties of the program director. The curriculum vitae should detail occupational therapy experience, and should give particular attention to experience and qualifications in clinical practice, administration, and teaching.
4. A summary of experience and qualifications that is pertinent to the ACOTE Accreditation Standards. See the “Summary of Program Director Credentials” form in the “Accreditation Surveys, Forms, and Templates” section of the ACOTE Web site (www.acoteonline.org).
