

**2026**

# AOTA Specialty Conferences

Mental Health | Education Summit | Children & Youth

Put your brand in front of the occupational therapy practitioners shaping their fields. Each AOTA Specialty Conference convenes a focused, highly engaged audience for two days of learning and connection— giving your organization direct, face-to-face access to the practitioners, educators, and decision-makers who matter most to you.

## Mental Health Specialty Conference

October 9-10, 2026 | CHICAGO, IL

**EARN UP TO 10.75 CONTACT HOURS (2 DAYS)**

### Reach 300+ OT practitioners championing mental health across every practice setting.

Designed for mid-to-senior level practitioners ready to advance their practice and deepen their impact on clients and communities — with practical, realworld content they can apply immediately.

#### CONTENT HIGHLIGHTS

- Innovative psychiatric care
- Trauma-informed strategies
- Secondary traumatic stress
- Mindfulness for students
- Mentorship models
- Mental health & climate change
