

AOTA FUTURE OF THE PROFESSION TOWN HALL PANELIST INTEREST FORM

Thank you for your interest in participating as a panelist at the 2018 AOTA Future of the Profession Town Hall, scheduled for Friday, April 20th, from 2:00 pm–3:30 pm at the AOTA Conference in Salt Lake City. We are delighted that you want to be part of a panel that will address the pros and cons of the ACOTE® OTD mandate. This session will be moderated by the AOTA President, with 3 panelists in support of the mandate and 3 panelists opposed to the mandate. For each side of the issue we are seeking one panelist with more than 10 years of clinical experience, one panelist with 5 years or less of clinical experience, and one academic educator. The panel discussion will take place for the first part of the Town Hall, and then we will open it up for questions from participants to the panelists. We will select panelists based on experience, diversity, and understanding of the issues that affect the future of our profession. If you are not selected to be part of these panels, our team still may contact you to ensure that your voice is included in the question-and-answer process or for another potential opportunity.

Please send the completed form via email to 2018Townhall@aota.org by Friday, April 6, at 3:00 pm EDT
