

**DISTANCE EDUCATION
ENTRY-LEVEL OCCUPATIONAL THERAPY (OT) EDUCATIONAL PROGRAMS**

The following accredited entry-level occupational therapy programs indicated that some portion of the program is offered by distance education* in response to the 2016/2017 ACOTE Annual Data Report.

NOTE: At this time, no accredited entry-level occupational therapy program is offered completely online. Prospective applicants should carefully review the program's Web site for in-class and fieldwork requirements.

**The USDE defines distance education as education that uses one or more of the following technologies to deliver instruction to students who are separated from the instructor and to support regular and substantive interaction between the students and the instructor, either synchronously or asynchronously. The technologies may include--*

- (1) *The internet;*
- (2) *One-way and two-way transmissions through open broadcast, closed circuit, cable, microwave, broadband lines, fiber optics, satellite, or wireless communications devices;*
- (3) *Audio conferencing; or*
- (4) *Video cassettes, DVDs, and CD-ROMs, if the cassettes, DVDs, or CD-ROMs are used in a course in conjunction with any of the technologies listed in paragraphs (1) through (3).*
