Policy B.4 Composition of Association Bodies

PURPOSE: To establish policy identifying the Association's position on Association body composition.

IT SHALL BE THE POLICY OF THE ASSOCIATION THAT:

1. Association bodies shall address charges as directed and operate within their allocated budget.

2. An individual appointing members to an Association body shall consider inclusion of occupational therapists or occupational therapy assistants, the ability/skills of the candidate to perform the position, clinical experience, diversity, and geographic representation needed to provide inclusive membership representation to address the assigned charge.

3. An individual appointing members to an Association body shall also utilize all the contemporary tools available through the Association.
